

The Learning Centers *“Building a Community of Learners”*

“I missed a week of school because I had the flu - now what will I do?”

“There is NO WAY that I can pass this Calculus test!”

“If I only had thirty more minutes, I could have finished that test!”

What is The Learning Center?

The Learning Center is an academic multi-service center open to all Lawrence North and Lawrence Central High School students during and after school at both sites. The Learning Center will be the size of 3 to 5 classrooms and be readily accessible to ALL students. (No referral process is necessary!)

What services will The Learning Center provide?

Students of any academic level can utilize The Learning Center for extra help with academic work, making up tests or assignments, completing projects, writing papers, finding and utilizing resources, and much more. The Learning Center will be divided into several areas: foreign language, mathematics, English, Social Studies, science, testing, technology, and supply centers. These different centers will be led by professional tutors from the community, school staff, and nearby college campuses.

What does The Learning Center hope to achieve?

The main goal of The Learning Center is to provide opportunities for all students (general ed, special ed, ESOL, and advanced ed) to have access to educational resources during and after school. The Learning Center will provide quality, individualized services and attention to each student, making large schools more personal.

I would like to help with Lawrence Township's Learning Centers!

Name _____ Phone _____

Address _____ Zip _____

Email Address _____

Please send me more information on Lawrence Township's new Learning Centers.

I would like to volunteer at the Learning Center.

I would like to make a donation to support the Learning Centers. Enclosed is my donation of \$ _____. (Donations to LTSF are tax deductible.)

Please bring form to Tailgate or mail to Lawrence Township School Foundation
5626 Lawton Loop E. Dr., Indianapolis, IN 46216.

Questions? Please call the Foundation office at 423-8300.
